Domino Hardwood Floors, Inc. is a leader in providing goods, services and information to the wood flooring market in the Portland, Oregon, area. Our mission is to ensure the longevity of our company through referral and repeat business achieved by customer satisfaction in all areas including timeliness and attention to detail. We are committed to using sustainable, environmentally responsible wood floor products. We value our employees and strive to cultivate a healthy, productive and enjoyable work environment. Our company maintains the highest level of professionalism, honesty, integrity and fairness when dealing with consumers, contractors, architects and designers.

Why Hardwood Floors?

Wood floors offer many benefits over other types of floor coverings. Wood is widely used when household members have allergies and cannot be exposed to carpet and is easier on our feet than stone or tile. Hardwood floors are natural, easy to keep clean, long lasting and add value and comfort to your home.
